Dear Mr Mackay,

On behalf of Councillor Alan Lamb (Chair of our Neighbourhood Planning Committee) please find enclosed the submission draft of the Wetherby Neighbourhood Plan. The Group is delighted to be able to represent the Town Council in this important step in the delivery of the Wetherby Neighbourhood Plan. This is a vital step in allowing the people of Wetherby to decide how they want our town to evolve over the coming years.

The Council is particularly grateful for the immense help that has been afforded to it from the citizens of Wetherby and the large pool of volunteers, all equally passionate about the development and use of land within our town.

The Group has worked tirelessly to ensure that Wetherby is a fair, inclusive, high quality and sustainable place to live and work as well as maintain its character as a genuine market town. This has included focussing on our key themes of housing, working and shopping, getting around, health, wellbeing and leisure, education, environment and sustainability, design and services to ensure Wetherby will continue to be the best possibly town for its residents.

The Council greatly looks forward to hearing responses to the plan in the independent examination and eagerly anticipates the residents of Wetherby being able to determine the future of their town through a referendum.

Yours sincerely

IONA TAYLOR (Mrs)
Town Clerk
